PERFORMING TALENTS

STAGE MANIPULATION

Classic discipline of magic: disappear, multiply, change colors, produce objects and handle cards, among other acts. Musical and visual routine.

MENTALISMS

Mind reading, predictions, telepathy and mental programming. Acts of predicting the immediate future, experiences of ultra-sensory communication and mental connection.

CLOSE UP MAGIC

Less than one meter from the viewer, interactive participation with the public. Telekinesis routine and illusionism with cards, coins, rings, forks, among other objects.

HYPNOTISM

Taken on a journey within the mind, Diego puts the audience into a hypnotic state where an average of one out of five individuals go deep into a trance and are under complete control by the hypnotist, Diego. The audience is left in awe and laughter by the situation.

DIGITAL EXPERIENCE

You can now experience Mexico's leading mentalist right in your own space. A live digital and interactive show that leaves you confused about what is reality. Acts of illusionism, mind reading and mental programming leave you baffled as how this is even possible through the web. This interactive show is now available for your whole family or business.
